## YOU OUGHT TO PLANT SOME TREES THIS YEAR

Did you get the catalog we sent you a few days ago? If you did, we hope you'll look it over carefully, for we're certain it contains just the Trees, Shrubs, etc., that you want. Many people have found out that it pays to order early, but even if you don't order, it will pay you to read over the catalog, for it contains a whole lot of common-sense, practical information and suggestions about tree planting and care — arrangement of lawns, orchards, windbreaks, hedges, woodlots, etc.

Our hobby is to give each and every customer so much for his money that he will want to buy again. The coupons herewith make it doubly worth your while to buy now. You will find an order sheet in catalog. Fill out this coupon and mail to-day.

Respectfully yours,
